ABOUT ME

After 9 years of experience in the restaurant industry, I have developed strong skills in leadership, organization, and working under pressure.

Now I am ready to apply that experience to a new field: web development.

I am currently part of the ITaChallenge (IT Academy) development team as a Frontend Developer (Angular) within an internal internship program.

TECHNICAL SKILLS

Angular | HTML | CSS | Bootstrap | Tailwind | Typescript | Javascript | Express.Js | MongoDB
